

MRL HYDRAULICS LLC
HYDRAULIC LUBRICATION SALES

“Environmental and process safety is our business ... our only business!”

The attached credit profile and application has been designed to provide MRL with the necessary information to determine credit worthiness and to facilitate the credit approval process. Although we don't guarantee credit approval, we are more than happy to extend credit to those who qualify in order to help facilitate the business process and give our customers easy access to our line of products. Even if a customer doesn't desire a line of credit, they can still purchase using credit cards or prepayment. Normally MRL doesn't extend lines of credit for requested amounts less than \$5,000 US. However, we are open to special credit agreements for credit lines that do not meet our minimum.

MRL's published Terms and Conditions of Sale for credit sales requires full payment on or before the 30th day from date of invoice. For non credit sales, a down payment is required at time of order entry and the balance paid prior to shipment. For a full description please review MRL's published Terms and Conditions of Sale.

Please download and complete the Credit Profile and Application Sheet. Once completed and signed it can be faxed to MRL HYDRAULICS LLC (401) 722-4622 marked attention Credit Manager. If you wish to use USPS please mail the completed and signed form to the following:

MRL HYDRAULICS LLC
32 Meeting Street
Cumberland, RI 02864
Attn: Credit Manager

If you have any questions or require clarification please contact us at (401) 722-4600.

CREDIT LINE APPLICATION

Credit line approval may or may not be for the amount applied for. MRL HYDRAULICS LLC reserves the right to extend credit or withdraw credit. Credit worthiness is determined by a number of factors including the applicant's payment history and the ability to pay within the terms of MRL HYDRAULICS LLC's published Terms and Conditions of Sale. Non payment, slow payment or late payment on the approved established credit line, can and will be sufficient to suspend further credit and/or adjustment of the previously approved credit line. Upon approval of a line of credit, the submission of a Purchase Order against the line of credit automatically activates the MRL TERMS AND CONDITIONS OF SALE and the purchaser agrees to those said terms.

ACCOUNT TYPE (Check One) **RESELLER** **END-USER**

If you selected end-user it is understood that you are subject to local sales taxes if applicable and such will be charged and paid for the amount of purchase.
